

## NAMES ON BUILDING PLAQUES

In keeping with the practice to recognize elected officials and others for their efforts and public service in providing new and/or improved facilities to the public, the Board wishes to have plaques installed on new construction projects giving the names of persons at the time of acceptance of the project bid as reflected in Board minutes. The plaques will provide the following information:

1. name of the school or building;
2. completion date;
3. any person serving on the Board at the time the bond issue was approved or any person serving on the Board during the construction process:
  - a. President
  - b. Vice President
  - c. Members (in order of number of years on the Board);
4. names of the Superintendent and Treasurer and;
5. name of the architect.
