

ADULT EDUCATION PROGRAMS

The Board recognizes that it has an educational responsibility to the entire community and to lifelong education. Accordingly, adult education courses may be provided to meet the needs of adults and out-of-school youth for basic education, general and academic education, and occupational education.

The Superintendent/designee administers the adult education program supported by a combination of District funds, state and federal aid, and fees. State aid is requested for all courses for which the state offers such aid. Adults who attend such programs are expected to comply with established rules and regulations.
