

EDUCATION AGENCY RELATIONS GOALS

The Board will cooperate with other school districts and with other local, State, and regional agencies and organizations in the solution of educational problems of common concern. This cooperation may extend to such areas as research, exchange of information and data, coordination of curriculum, coordination of school calendars and activities, and construction of facilities which may be efficiently used on a cooperative basis. Other activities which may be advantageous to serve a broader area than one district may also be considered.

In carrying out this policy the Superintendent may include in his recommendations to the Board an evaluation of the desirability and feasibility of cooperation with other agencies in endeavors which could benefit the District.
